Full preview of auction lots is available at Auction Central 9am – 11am on Sunday. (Many items will be on show on Saturday 12 November 2005.)

The auction will commence at **11am** (note start time) on Sunday 13 November 2005 and continue until completed.

Auction Figures reserves the right to update this list and terms and conditions without notice up until the lot is auctioned. Any additions or changes will be posted to our website by Saturday 12 Nov, 2005. Any changes noted on the weekend of the auction will be announced by the auctioneer or displayed at Auction Central.

Generally action figures are offered carded in good to very good condition, however, inspection of condition is the buyers responsibility (refer comments in Terms and Conditions). Some items are loose - this is noted in the catalogue. The catalogue does not offer a guide to condition.

Items do have reserves but these are considered to be well below market price.

Buyer premium is 13.5% (inc. GST) on the hammer price. Paying by debit/credit card will attract an additional 1.5%.

The above should be read in conjunction with the Terms & Conditions.

Terms & Conditions

General

Bidding is by numbers only. Please register at the office or reception.

The highest bidder will be the purchaser and in any case of a dispute, the auctioneer may reoffer that lot. The Auctioneer's decision will be final.

The Auctioneer has the right to refuse any bid or bidder and may place a reserve, on any lot, at any time, before or during the auction and at his or her discretion may withdraw any lot.

All accounts must be finalised on the day of sale.

Any pre-sale estimates given by Auction Figures or Auction Central are only a guide for the buyer. Please do not be misled, estimates are not reserves in this auction.

Absentee bids will be accepted up until 1 hour prior to the sale (10am; 13 Nov). We will endeavour to ensure all absentee bids are lodged with the Auctioneer or the bidding service. We will not accept liability for any errors. In the event of identical bids, the first bid will take precedence.

Buy bids will not be accepted. No item will be sold before auction.

Generally action figures are offered carded in good to very good condition. If an item is offered loose it is noted in the catalogue. Details of condition are noted for some items in the Auction Catalogue, **however**, in all cases, **buyers are responsible** for determining the condition of the item or items that they are intending to buy and under no circumstance shall Auction Central or Auction Figures staff or management be held accountable for their opinions or advice given to clients. The staff or management will not be held responsible for any defect, imperfections, restorations of any kind, on any lot offered for sale.

The buyer will accept and acknowledge all terms and conditions of this auction company.
